**Why she matters** Saeed's fingerprints are on some of the biggest deals in the history of Hollywood as she represented Time Warner when AT&T agreed to acquire it for \$109 billion (including debt) while also repping Walt Disney in its \$71.3 billion partial merger with 21st Century Fox. She's also advising Viacom's board of directors as it mulls what could be the next blockbuster merger: Viacom-CBS.

**Desert island must-read** "The Mueller Report."

**Most anticipated film** *The Lion King*
