New York  
+1-212-474-1250

Peter Feist is Head of the Private Equity Practice and focuses on private equity and mergers and acquisitions matters for leading private equity firms and other financial investors. Mr. Feist advises clients on a wide array of transactions, including private and public acquisitions, leveraged and management buyouts, take-private transactions, recapitalizations, minority investments, structured equity investments, special situations and divestitures.

Commended as a “top private equity lawyer,” Mr. Feist is ranked by *IFLR1000* as “Highly Regarded” for Private Equity in the U.S. He has been recognized for his work in private equity by *The Legal 500 US*, which quotes a client affirming that “Peter Feist has an incredible understanding of corporate matters, is very intelligent and at the same time has terrific business acumen and is extremely commercial. He brings all these qualities to the fore on

each and every transaction he works on to deliver fantastic results for his clients.” Additionally, Mr. Feist has been named to *Lawdragon*’s list of the “500 Leading Dealmakers in America” and has been consistently recognized as a leading transactional lawyer by *Chambers*, which has noted that Mr. Feist’s “‘fine skill set, boosted by his extensive experience in deals,’ was highly praised by interviewees, along with his outstanding deal execution skills.”

Mr. Feist was born in New Zealand. He received a BCA in 1990 and an LL.B. with highest honors in 1992 from Victoria University of Wellington, New Zealand.
